## About Us

Milclean USA has been a driving force in the janitorial services for over 8 years. Founded in 2015 by Karina Alves Correa, Milclean USA initially commenced its operations in South Florida. Over time, we expanded our presence, establishing offices in Orlando and Washington, DC . Envisioned a company that would not just meet but consistently exceed the unique and evolving needs of our diverse clientele.

Today, Milclean proudly serves multiple states along the East Coast and remains committed to our ongoing journey towards nationwide expansion

## Meet Our CEO

Over the past 20 years, she has dedicated her entire professional career to serving her clients through cleaning, finding innovative ways to keep costs low while being environmentally conscious and efficient. Her constant desire for growth led her to be recently certified as a Business Coach by the Fort Lauderdale College. She has MBA - Business

Her passion for humanity inspired her to start a successful non-profit organization

in Brazil that seeks to care for unprivileged children confined to local hospitals.

With a heart full of compassion and a mind full of ideas, Karina is always seeking to better serve her company and team.

## OUR SERVICE

### CORPORATE CLEANING

At MilClean USA, we understand that our cleaning services are an integral part of your business. We can customize a cleaning plan for your specific needs, and no job is too big or small for our experts. We can provide a tailored program that involves the following

### CONDOS & HOAs

Communities are a connecting point for many families. Milclean USA provides detailed cleaning solutions to assure that these places can be welcoming, safe and clean for all residents and their guests. Our crew is dedicated to maintaining a space that is well-kept and reflects cleanliness in all areas.

### POST CONSTRUCTION

The goal of a POS construction clean is to transform a construction site or a recently completed building into a clean, safe, and functional space that can be occupied or used for its intended purpose.

### TECHNICAL CLEANING

Focus on aerospace and automotive industries, mainly in painting booths. We guarantee all the necessary care for the operation of your equipment.

### STADIUMS & VENUES

The solutions we provide are intended to make your guests' experience one that they will not forget. Clean facilities, restrooms and mostly seats will make their event a memorable one. These are a few of our services:
